CAREER SUMMARY

Natanek Iberia S. L. (Sept. 2020-2022 | Barcelona)

- Developed and implemented front-end code using HTML, CSS, JavaScript, React.js and Node.js to meet business requirements.
- Collaborated with the team to design new features for our web application and mobile app.
- Ensured that all code is well documented, reusable, efficient, and follows best practices.
- Participated in peer code reviews as appropriate for the task at hand and reviewed others' code when requested.
- Used source control tools (GitHub) appropriately depending on the task at hand and participated in daily standups when applicable

Mejorconpublicidad S. L. (Jan. 2022-Present | Sant Cugat | Barcelona)

- Worked with the senior developer to create a new website from scratch and maintained using Wordpress, HTML, CSS and JavaScript
- Created an interactive map for clients that allowed them to search for properties based on their needs
- Improved site speed by optimizing images and reducing HTTP requests when possible
- Collaborated with other developers to fix bugs in existing code and add features as needed
- Implemented responsive design techniques so the site could be viewed on any device without issue
